JUST GOT OVER A COLD?

Look out for kidney troubles and backache. Colds overtax the kidneys and often leave them weak. For weak kidneys—well, read what a Barre man says:

J. H. Holt, carpenter, 14 Hill-side avenue, Barre, says: "Last winter I caught a cold, which settled on my kidneys and caused them to act irregularly. I had such stitch-like pains in my back that I couldn't stoop over or do any lifting. One box of Doan's Kidney Pills straightened me up in good shape, and I haven't been bothered since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Holt had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.
